

# Ciel Lopez

Artist-Animator-Designer

## PROFILE INFO

Passionate and detail-oriented 2D animator and character designer skilled in bringing characters and their stories to life. Proficient in a diverse range of art styles, delivering eye-catching and unique visuals.

## EXPERIENCE

2021 - 2022

Animated Short Film - *Young Alchemist*

### Director and Animator

Directed, boarded, and animated over 50 shots for the original film *Young Alchemist*. Embraced the multifaceted role of a filmmaker, gained valuable experience in all aspects of production. Notably, the film has accumulated over 250,000 views on YouTube, and demonstrates a widespread appeal with a diverse audience.

2020 - 2023

Midnight Oil Animation - *Rainbow Floor*

### Board Artist and Voice Actor

Boarded and brought to life five distinct sequences for the animated pilot *Rainbow Floor*. Maintained a keen attention to detail to ensure consistency and continuity across sequences and characters. Demonstrated versatility and acting skills by providing the voice for the character "Goldie," infusing the role with unique personality.

2013 - 2023

Freelance - Self Employed

### Illustrator and Designer

Successfully marketed artistic abilities for over 10 years, communicating and catering to clients' needs. Specializes in character art, scenes, animation, and design, delivering high-quality custom creations that surpass client's expectations. Effectively adapts to various art styles and techniques, ensuring client satisfaction and long-term professional relationships.

## EDUCATION

2017 - 2022

BA in Animation and Digital Arts

### University of Southern California (USC)

Attained a Bachelor of Arts in Animation from the USC School of Cinematic Arts and a minor in Narrative Art from the USC Roski School of Art and Design. Graduated May 2022 with Magna Cum Laude honors.

Sep - Dec 2019

Study Abroad

### Studio Arts College International (SACI)

Engaged in a transformative educational experience by participating in a study abroad program in Florence, Italy. Focused on painting, sculpture, and 3D animated character acting. Gained a well-rounded understanding of different artistic disciplines within a vibrant cultural setting.
